

THE "NO GOOD" LIST

We've always believed that really good soup begins with really good ingredients, which is why we craft our recipes with fresh, nutritious everything, from sources we know and trust. And, without artificial flavors, colors or added preservatives, including the 70+ individual items on the attached list.

Acesulfame K (Acesulfame Potassium)	L-Cysteine (Cystine)
Alum (Aluminum Ammonium Sulfate/Aluminum Potassium Sulfate)	Monosodium Glutamate/Sodium Glutamate (Added, not naturally occurring)
Aluminum Calcium Silicate/Bentonite (Calcium Aluminosilicate, Calcium Silicoaluminates, Sodium Calcium Silicoaluminates)	Neotame
Ammonium Chloride	Parabens (ALL)
Artificial Colors (Certified FD&C)	Partially Hydrogenated Oils/Artificial Trans Fat
Artificial Flavors	Polydextrose
Aspartame	Polyethylene Glycol (PEG)
Astaxanthin (Synthetic Only)	Polysorbates (ALL)
Azo Dyes	Potassium Benzoate
Azodicarbonamide	Potassium Bisulfate
Benzoic Acid	Potassium Bromate
Benzyl Alcohol/Benzoyl Peroxide (Synthetic Only)	Potassium Lactate
BHA (Butylated Hydroxyanisole)	Potassium Sorbate
BHT (Butylated Hydroxytoluene)	Propionates (Calcium, Sodium)
Bromated Flour	Propyl Gallate
Brominated Vegetable Oil	Propylene Glycol (Declarable)
Caffeine (Added, not naturally occurring)	Propylene Glycol Alginate
Calcium Bromate	Saccharin (Calcium Saccharin)
Calcium Peroxide	Salatrim
Calcium Sorbate	Siloxanes (Methyl Silicon, Dimethylpolysiloxane)
Canthaxanthin	Artificial Smoke Flavor
Caprocaprylobehenin	Sodium Benzoate
Caramel Color (Classes II-IV)	Sodium Diacetate
Carboxymethyl Cellulose	Sodium Erythorbate
Carmine	Sodium Lactate
Cochineal	Sodium Lauryl Sulfate
DATEM (Diacetyl Tartaric Acid)	Sodium Metabisulfite
Diacetyl/Acetoin (Added, not naturally occurring)	Stannous Chloride
Dipotassium Sulfate	Sucralose
EDTA (Calcium Disodium EDTA/Disodium Dihydrogen EDTA)	Sucroglycerides
Esters of Fatty Acids (Glycerol and Polyglycerol Ester)	Sulfites (Added, not naturally occurring)
Ethoxyquin	Sulfur Dioxide
Fat Substitutes (Sucrose Polyester, Microparticulate Whey Protein Concentrate)	Tertiary Butylhydroquinone (TBHQ)
Glycerol Ester of Wood Rosin	Theobromine (Added, not naturally occurring)
Glycerides (Mono, Di & Triglycerides, all forms)	Titanium Dioxide
High Fructose Corn Syrup (HFCS)	Triacetin/Glycerol Triacetate
Lard	Vanillin (Synthetic Only)
